### As an Apprentice

You are employed, you earn a wage and you work alongside experienced staff to gain job-specific skills. You'll also get recognised qualifications, full support during training and enjoy great career prospects.

### The key benefits of Apprenticeships

- You earn a salary - (£95 per week minimum)
- You gain qualifications
- You learn job-specific skills

### As a parent

- Your child continues in education whilst being employed and earning
- A Student Loan is not required
- There are progression opportunities into Higher Education

### As an employer

- Employers who employ a 16-18 year old apprentice only pay their salary. The Government will fund their training
- The minimum wage for apprentices is £95 per week. The average salary is around £170 per week
- 83% of employers who employ apprentices rely on their Apprenticeship programme to provide the necessary skilled workers that they need for the future

## Roadshow bus

Did you know there are nearly 200 different types of Apprenticeships being delivered in England?

### Visit the Roadshow bus to:

- Find out what Apprenticeship job vacancies are currently available
- Register on the Apprenticeship Vacancies online website so you can apply for real jobs
- Meet training providers and Connexions staff who specialise in careers advice and guidance for young people
- Take part in Cake Decorating, Floristry and Hair Styling demonstrations - you could be a model for the day and have your hair braided or curled!

### Interested in motor racing?

The National College for Motorsport will have on show their Race Car which is supported by apprentices!
